

Health & Safety Top Tips

Subcontracting

When you subcontract work to others, do you:

- **check the health and safety performance of the people you plan to use?**

- **give them the health and safety information they need for the work?**
 - **talk about the work with them before they start?**

- **make sure that you have provided everything you agreed (eg safe scaffolds, the right plant, access to welfare, etc)?**

- **check their performance and remedy shortcomings?**
